

WILL RAISE SALARIES OF NEW POLICEMEN

Estimate Board Committee Favors
Increase—To Cost City \$152,-
421 Extra Next Year.

The committee on standardization of salaries and grades reported to the Board of Estimate yesterday in favor of raising the salaries of first and second year policemen from \$600 to \$1,000 and from \$500 to \$1,000 respectively. The board deferred action for a week, but the increase will almost surely be passed.

In its report the committee gave as a reason for the increase the fact that new men have heavy expense for uniforms and equipment. It is also proposed that the department supply the men with revolvers, so they may be relieved of this expense.

MORE FIGHTING MEN CALLED OUT BY TURKEY

Another War With the Sultan Is
Expected by Many in the
Capital of Greece.

LONDON, Sept. 25.—The Balkan crisis has been aggravated by the apparent determination of the Young Turk military party to profit by the dissensions among the former allies. Turkey is reported to have again called to the colors the Asia Minor conscripts, while an officer lately returned from Tripoli is said to be leading an uprising against Bulgaria in Thrace.

In Athens many believe that Greece is on the verge of another war with Turkey. The effort to subdue the rebellious Albanians is likely to prove a severe strain on the exhausted army and exchequer of Serbia, especially if the story of the uprising of Serbo-Macedonians is true.

EVERS PICKS GIANTS.
PITTSBURGH, Sept. 25.—Manager John Evers of the Cubs believes that Al Demaree, Giant twirler, will be the sensation of the coming world's series. Evers picks the Giants to win on the pitching of Demaree and Marquard.
